Northern Star Council, BSA

LIMITED SPACE MERIT BADGE PLANNING GUIDE

TROOP: _____ **COUNCIL:** _____ **CAMP:** _____ **SITE:** _____ **WEEK** _____

Tomahawk only needs a list of the Scouts wanting to register for limited space merit badges two weeks prior to camp. Please fill out the form and email it to businessoffice@camptomahawk.org **IMPORTANT** - Class size is restricted for the following merit badges: climbing, horsemanship, kayaking, shotgun, and rifle. Priority will be given to Scouts based on age and then rank. Verification of Scouts registered will take place at the Saturday roundtable and will be finalized at Sunday breakfast.

This document applies only if your Scouts are registering for a limited space merit badge, for all other merit badges Scouts should report directly to that merit badge on the first day of the class. Merit badge rosters will be compiled by camp counselors during the first day of each merit badge session. Scouts should bring the *filled out and signed* merit badge card to the first session. Scouts who have badges that are mostly complete (partials) should meet with the counselor at camp to arrange completion.

Scout's Name	Age	Rank	Badge 1	Time	Badge 2	Time	Badge 3	Time
Ex: John Doe	13	Life	Rifle	Block B 9am				

Spell the names the same as on the Scout Roster, as these are the names that will have already been entered into the system.
