FINANCIAL ASSISTANCE

For Scouts who are not able to afford the full fee of camp, there is financial support available. This assistance is like a scholarship for camp. We call these camperships. The funds to provide camperships are supplied by donors in Northern Star Council and are ear-marked for Northern Star Scouts only.

If you or families in your unit need assistance to make camp more affordable, please review the financial assistance page online for more information. Just search "campership" on the Tomahawk website.

EQUIPMENT

We have canvas wall tents, canvas cover cots, and canvas tarps available to troops. Troops are allowed to bring their own tents and dining flies.

MORNING (ADVANCEMENT TIME)

In the morning, Scouts work on merit badges in classes scheduled in the form of "Blocks". There are four blocks in the morning (see below).

AFTERNOON (TROOP/CREW TIME)

In the afternoon, the Troop or Crew participates in activities as a group. Preferences are submitted in the advance staff develop a schedule for you.

EVENING (OPEN TIME)

After supper Scouts explore camp with their buddy or patrol. Swim at the beach, climb the tower, or go to the shooting ranges! *Activities may be scheduled out in 2021*

This schedule will give you a rough idea of what the Tomahawk program looks like and how it is organized.

In this example, the Troop visits the Logging Camp Outpost for an afternoon.

STEP 1: CHOOSE YOUR MERIT BADGES

Most (but not all) merit badges are offered in the morning sessions. Be mindful of recommended ages, prerequisites and extra commitments in some badges.

If you are an older Scout and don't wish to take merit badges in the morning, you'll have the option to request older Scout Programs for the morning.

STEP 2: RANK YOUR TROOP ACTIVITIES

There is more offered for troop activities than you will have time for at camp. That's why it is important to come back to camp year after year to experience all the fun Tomahawk has to offer.

Rank your top 10 choices on the Troop/Crew Activities pages.

STEP 3: RANK YOUR OLDER SCOUT ACTIVITIES

Review the Older Scout activity details carefully. You will rank your top choices and submit them to your Scoutmaster.

Tomahawk will collect all the ranked choices from troops and based on the responses camp will create a custom schedule for each week to meet the preferences of as many Scouts as possible.

STEP 4: SUBMIT YOUR PROGRAM PREFERENCES ONLINE

After reviewing the available Merit Badges, Troop Activities and Older Scout Programs, scan the code below to be directed to the "Scout Program Survey"

OR go to

<https://qrco.de/bbwCpV>

When you fill this survey out you will need the following information:

- **Scoutmaster OR Camp Coordinator's Email Address**
- First Name
- Last Name
- Council
- Unit Type
- Unit #
- Patrol Name
- Age as of 8/31/21
- Merit Badge Choices
- Troop Program Choices
- Older Scout Program Choices

After you submit the survey, an email with your responses will be sent directly to your Scoutmaster or Camp Coordinator.

Submit your survey before the end of March for best consideration. Program sign up opens April 1st. Please give your Camp Coordinator ample time to sign you up for programs.

LOGGING CAMP

TRAVEL BACK TO 1893 AND
BECOME A TRUE LOGGER!

From chopping wood to making candles, the Knapp Stout Logging Camp on Long Lake will teach you how to be a bona-fide lumberjack!

Take a swing at the forge and make a mini-tomahawk, or use the two-person saws to cut a wood cookie that you can brand with the blacksmiths. You can even become best friends with a goat!

Personalize a mug, water bottle, or wood cookie by branding it with one of our many branding irons.

Explore the log cabin, originally constructed before the Civil War.

Scouts older than 14 can use the lever action .22 rifle and double-barreled shotgun at the camp shootin' range.

At the end the day, spend the evening around the fire with a hearty bowl of chili and listen to the tall tales and music of the Knapp Stout loggers.
